Movers and Shakers

This project teaches children about historically significant people who have had a major impact on the world. They will learn to use timelines, stories and historical sources to find out about the people featured and use historical models to explore their significance.

English: Writing

- Biographies
- Newspaper reports
- Posters
- Speeches
- Grammar and punctuation.

Science

Human Survival

This project teaches children about the basic needs of humans for survival, including the importance of exercise, nutrition and good hygiene. They learn how human offspring grow and change over time into adulthood.

Habitats

This project teaches children about habitats and what a habitat needs to provide. They explore local habitats to identify and name living things and begin to understand how they depend on one another for food and shelter.

English: Reading

This term's reading in class will include:

- Neil Armstrong (Info Buzz)
- Christopher Columbus and Neil Armstrong (Comparing Explorers from the Past)
- Rosa Parks (Little People, Big Dreams)
- Emmeline Pankhurst (Little People, Big Dreams)
- Fantastically Great Women who Changed the World

Please remember that children should read at home at least 5 times per week. This can include their Collins eBooks.

Maths

- Numbers to 100 in words and figures
- Partitioning numbers in different ways, to 100
- Estimating and placing numbers on number lines to 100
- Comparing and ordering numbers
- Counting in 2s, 3s, 5s and 10s

Art

Mix It

This project teaches children about basic colour theory by studying the colour wheel and colour mixing. It includes an exploration of primary and secondary colours and how artists use colour in their artwork.

Still Life

This project teaches children about the work of significant still life artists and still life techniques. They explore a wide variety of still lifes and learn about the use of colour and composition. They create still life arrangements and artwork.

D&T

Remarkable Recipes

This project teaches children about sources of food and tools used in food preparation. They also discover why some foods are cooked and learn to read simple recipes. The children choose and make a new school meal that fulfils specific design criteria.

Geography

Let's Explore the World

This essential skills and knowledge project teaches children about atlases, maps and cardinal compass points. They learn about the characteristics of the four countries of the United Kingdom and find out why there are hot, temperate and cold places around the world. They also compare England to Somalia.

ICT

In ICT they will learn how to programme on screen using ScratchJr. They will take, select and edit digital images. Test games by working out rules for them. They will be researching a topic. Creating a stop-motion animation and collect data about bugs.

PE

Autumn 1: Athletics and Dance Autumn 2: Multi-skills and Gym
