

Through the Ages

This project teaches children about British prehistory from the Stone Age to the Iron Age, including changes to people and lifestyle caused by ingenuity, invention and technological advancement.

English: Writing

- Stone Age narratives
- Instruction writing
- Cinquain poems
- Chronological reports
- Grammar and punctuation, including expanded noun phrases, inverted commas and fronted adverbials

English: Reading

‘Stig of the Dump’ by Clive King.

Barney visits the local chalk pit. When the ground at the edge of the pit gives way, Barney falls into the hole and meets Stig, a boy from the Stone Age...

Please make sure children at home every day and note it down in their reading diaries.

Maths

- Numbers to 100 and 1000
- Representing numbers in pictures and words
- Comparing and ordering numbers
- Finding 1, 10 and 100 more or less than a number
- Estimating on a number line
- Counting in 50s

Science: Animal Nutrition & the Skeletal System

Children will learn about the importance of nutrition for humans and other animals. They learn about the role of a skeleton and muscles and identify animals with different types of skeleton.

Art

Prehistoric Pots

Children learn about Bell Beaker pottery and use clay to make and decorate a Bell Beaker-style pot.

Contrast and Complement

Children will learn colour theory by studying the colour wheel and colour mixing.

D&T

Cook Well, Eat Well

Children learn about food groups and the Eatwell guide. They learn about different methods of cooking, including potatoes and ratatouille. The children design a taco filling according to specific criteria.

Geography

Our Planet, Our World

This essential skills and knowledge project teaches children to locate countries and cities, and use grid references, compass points and latitude and longitude. They learn about the layers of the Earth and plate tectonics and discover the five major climate zones. They learn about significant places in the United Kingdom.

ICT

Children will begin with the topic 'We are programmers' where they will learn to create an algorithm for an animated scene in the form of a storyboard. They will use Scratch to create animations and build resilience for problem solving.

PE

This term, children will engage in Athletics, Hockey, Netball and Gymnastics.

RE

In RE, children consider the question 'What is faith?' and how faith can help different people. We will also celebrate the Harvest festival and learn about key people in Christianity.
